INSURANCE – John Ricca, Jr.

From Your Field Agent – If you have the opportunity, please visit the Insurance Section on the Order’s website, www.kofc.org. Two interesting areas are: The Member Testimonial area titled “Stages of Life.” In this multi-media area, six “real-life” stories are told – stories of people in different stages of their lives. Chances are one of them will sound a lot like you. These people talk about how their Knights of Columbus agent took time to demonstrate for them the need for life insurance in their lives. I’ll be happy to do that for you and your family. The second is the “Life Insurance Calculator.” This handy, easy-to-use online tool was developed to allow you, in about 15 to 20 minutes, to **estimate** the amount of life insurance you need. The information you’ll be asked to provide will be basic (the type most folks would tend to have at their fingertips) and secure (to be used solely for the online calculator – the Order won’t capture or share it with anyone, including me!) The number you receive is an **estimate** and not intended to take the place of the free, professional needs analysis I’ll be happy to provide to you and your family. Call me at 225/753-0393.
